DETAILED ACTION

Reasons for Allowance

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on March 24, 2006 was filed after the mailing date of the notice of Allowance on February 24, 2006. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner is considering the information disclosure statement.

Furthermore, the prior arts (IDS) filed on March 24, 2006, in (PTO 1449), have been carefully reviewed, and respectfully considered. The cited references do not read on the claimed limitation of claims 1-2,4-7, 9 and 10 as amended in the last applicant's response. And therefore, the Allowance of above indicted claims have been maintained for the reason the cited prior arts neither anticipates nor suggests the claimed invention as amended.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 571-272-7472. The examiner can normally be reached on 9am-6pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Moore, can be reached on 571-272-7437. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
